CEDAR CREST COLLEGE

Thank You For Supporting Our Students!

IT'S GO-TIME AT CEDAR CREST!

The 26–27 academic year is underway and because of alumnae/i like you, every student is empowered to pursue new perspectives, academic growth, and the discovery of what they are capable of.

Your gift to the Cedar Crest Fund goes to work *immediately* — funding scholarships, hands-on research, faculty mentorship, and the everyday resources our students rely on right now.

"Without scholarship support, I wouldn't have had this education — conducting research as a sophomore, presenting at conferences, building a future that's mine to shape. Thanks to donor support, every claassroom I walk into is a step toward the life I want."

— Jada Carter '29, Forensic Science & Biochemistry Double Major

Gifts to the Cedar Crest Fund are setting Jada up for a career in the sciences — with the hands-on experience she needs to walk straight into the workforce after graduation.

This fall, a new class of students is counting on the same support that made Jada's path possible.

Show Your Cedar Crest Pride.
