WHY I JOINED CREST SOCIETY...

"Cedar Crest College brought me so much more than an education. I refined leadership skills I needed to succeed in the professional world and forged friendships that will last a lifetime. I am the person I am today because of Cedar Crest's faculty, staff, and community."

The *CREST SOCIETY*, represented by the ginkgo, a symbol of resilience and longevity, is an exclusive network of alumnae/i, parents and friends who firmly believe in the value of an integrated education, and who instill confidence in that education by supporting its continued advancement.
