Support Cedar Crest College!

As Vice President for Institutional Advancement, I have the honor of working alongside an extraordinary community of alumnae/i, donors, families, faculty, staff, and friends who believe in the transformational experience of a Cedar Crest education. Our mission – to educate the next generation of leaders – remains at the heart of all we do.

We are proud to foster lifelong connections with our alumnae/i and donors, creating meaningful opportunities to stay engaged, give back, and remain part of the Cedar Crest story. Our community opens doors, expands access, and strengthens the experiences that define a Cedar Crest education – thank you for supporting our community, our students, and our future.

Lynn M. Staples, MBA '21

Vice President for Institutional
Advancement

“Thank you so much for the opportunity to be awarded this scholarship and for allowing me to further my education. With the financial aspect of my education not being stressful, I was able to focus more on my schooling and academic priorities compared to worrying about providing another income for my mother. Thank you so much for your support, your time, and your generosity because it has made a significant difference in my life.”

Elayah Toney '26
Major: Biology (Pre-Veterinary Track)

DONOR STORIES

Megan Stauffer Solt '08 M'19 Leadership Prize:

“I remember one student told me that I taught her more about accounting in her 3-month internship than she felt she learned in her four years of college. That made me realize my purpose. As a leader, I would not be doing my job if I were not supporting, mentoring, or educating others on my team. I want students to realize their potential as leaders and to be recognized with this prize during their pivotal college years. Cedar Crest has been a part of my life since I was a little girl, and I wanted to leave my legacy at Cedar Crest through this prize for years to come.”
