

CEDAR CREST COLLEGE

April 2026

Dear <First Name>,

Thank you for your gift to Cedar Crest this year. We hope you will consider making another before our fiscal year ends on June 30, 2026, as the impact of your generosity continues to grow.

Kaleigh Adams '26 is one powerful example of what your support makes possible. This spring, she will become the first in her family to earn a bachelor's degree — in fact, two of them: Chemistry and Forensic Science. As symposium chair for the Forensic Science Student Organization, she has already been connecting her peers to leading voices in the field, and preparing for a career as a DNA analyst dedicated to helping bring justice to those who need it most.

Stories like Kaleigh's are only possible because of alumnae/i who give. If you are able to make an additional gift before June 30, you will help ensure students, like Kaleigh, have every opportunity to find where they belong.

Make your gift at www.cedarcrest.edu/give or by sending back the attached reply card. Every gift, of any size, makes a difference in their journeys.

Thank you for your continued investment in the next generation of Cedar Crest leaders!

With gratitude,

Sherry Rodriguez
Director of Annual Giving

B.S. Forensic Science**

"Your scholarship support has made it possible for me to become the first person in my family to earn a bachelor's degree. These opportunities have brought me closer to achieving my dream of helping people find justice, and I am truly grateful for the impact your generosity has had on my life and future." — Kaleigh Adams '26
