

Dear Sara,

As the Class of 2029 begins their journey at Cedar Crest, I'm asking you to **GO ALL IN** for our students!

Meet Lia Castner, who will be the first graduate of Cedar Crest's Data Science major in 2027. Thanks to scholarship support, Lia can focus on her studies while leading the Girls Who Code Loop Club and serving as a student advisor at the Harmon Center for Leadership in Technology. She says this support gives her confidence that she's "a step ahead of others" in her field.

Your gift to the Cedar Crest Fund provides unrestricted support for scholarships, technology upgrades, and innovative programs—exactly when students like Lia need it most.

Make your gift online at www.cedarcrest.edu/give, securely over the phone at 610-606-4609, or checks can be made payable to Cedar Crest College and mailed

to 100 College Dr., Allentown, PA 18104.

Make Your Gift Today!

Thank you for your support of our students and their success!

With gratitude,

Lynn Staples, MBA '21
Vice President for Institutional Advancement
